

Reading and Math Rubrics by Six Weeks

Reading

Kindergarten Guided Reading

	1st	2nd	3rd	4th	5th	6th
Expected Level		LID HRSIW				
Above grade level	All Three*	36↑ 11↑	B↑	B↑	C↑	D↑
At grade level	1 or 2	13-35 6-10	A	A	B	C
Below grade level	X	12↓ 5↓	< A	< A	A	B

*Letter ID, Concepts about Print, and Write name.

Second/Third six weeks: Letter ID and HRSIW (dictation). If student scores fall in two levels, he/she will be placed at the lowest level.

1st Grade Guided Reading

	1st	2nd	3rd	4th	5th	6th
Grade						
95 =	E↑	F↑	G↑	H↑	I↑	J↑
85 =	D	E	F	G	H	I
75 =	C	D	E	F	G	H
65 =	B	C↓	D↓	E↓	F↓	G↓

2nd Grade Guided Reading

	1st	2nd	3rd	4th	5th	6th
Grade						
95 =	J↑	K↑	L↑	L↑	M↑	N↑
85 =	I	J	K	K	L	M
75 =	H	I	J	J	K	L
65 =	G↓	H↓	I↓	I↓	J↓	K↓

Math

District Guidelines on Math Facts for 1st and 2nd Grade

Facts test in 1st grade are not timed. Facts should go through sums of 10 and decomposing numbers leading to a ten (ex: $6 + 8 = 6 + 6 + 2$ or $6 + 4 + 4$). Manipulatives may be used all year. If you choose to grade facts tests, there can be one grade per 6 weeks based on 100% scale, no rubric. Math fact practice, with concrete and pictorial models, will be tested within the six weeks assessments.

Facts test in 2nd grade will not be timed in the 1st semester and students may use manipulatives. Facts should go through sums of 20. Facts test in the 2nd semester are timed without manipulatives except for special circumstances. Math fact practice will be tested (2 minutes for 20 problems) within the six weeks assessments.
